Speak Out! Make a Difference and Contribute to AOMA PAC.

The AOMA PAC is a voluntary political action committee that allows AOMA members to pool their financial resources to support state candidates who understand and appreciate the value of our profession and its importance to providing affordable, quality health care to Arizonans.

The AOMA PAC is non-partisan. Its goal is to help elect candidates who, as lawmakers, will best represent the values of AOMA and the thousands of patients we serve. Among the criteria considered by the AOMA PAC in making donations:

- The candidate's support of positions that advance the osteopathic medical profession in health care delivery
- The candidate's leadership position or membership on key legislative committees
- The candidate's potential for leadership
- The candidate's financial need and likelihood of being elected
- The presence of AOMA members in the candidate's district or state

With your support we can work effectively together for the good of our profession. Your donation will help send a clear message to legislators about the issues that are important to DOs and their patients.

A strong AOMA PAC means a strong profession so donate today!
