Abstract must be submitted in the following format, titles included. The abstract needs to be submitted in PDF format and **no more than 350 words** (excluding title, authors, and affiliations):

- **Title**
 - Should be engaging, specific, and descriptive
- **Authors and Affiliations**
 - Names listed properly with proper designation
 - Include affiliations relevant to the project
- **Objectives**
 - Specific aims of the research study
 - Provide a clear hypothesis or research question
- **Introduction/Background**
 - Concise and relevant information as to why you did the study
 - Highlight the importance and relevance of the study topic
- **Methods**
 - Explain the study design and protocols
 - Discuss the study population and how it was sampled
- **Results/Summary**
 - Briefly summarize what you found, providing clear and relevant data along with a primary outcome and key secondary outcomes

- **Conclusion**
 - Brief description of the main outcome of the study
 - Discussion of how the research will impact clinical practice and/or subsequent research

Institutional Review Board (IRB) Approval

- IRB approval **MUST** be obtained before you start your project.
- **ALL** entries are required to be approved by your respective institution's Institutional Review Board (IRB).
- A letter indicating this approval **MUST** be included with your submission
- If project is IRB exempt, a letter from the sponsoring institution's IRB confirming exemption **MUST** be included with your submission.

Acceptance or Rejection

- Lead author will be notified of their acceptance or rejection by **MONDAY, FEBRUARY 14, 2022**. If abstract is accepted, you will be asked to present at the poster forum on **SATURDAY, APRIL 2, 2022**.

Poster size

- **MAXIMUM** of 54" wide and 36" high in landscape format
- AOMA will provide mounting boards to display your poster
- Posters will be measured. If they are larger than the maximum size, they will be disqualified.

Poster Display

- If space permits posters will be displayed throughout the AOMA Convention.

Virtual Presentations

- There is the ability to present your poster virtually.
- Please indicate on the application form if you would like to present your poster virtually.
- Virtual presentations will be done using Zoom Video Teleconferencing. You will receive an email with a link to download Zoom and your scheduled time to present.
- Must have an electronic device with camera for the judges to see you.
- Virtual presentation time(s) will be determined as we get closer to the event.

Judging

- Members of the AOMA Professional Education Committee will review all poster abstracts received by the deadline.
- If your poster is accepted, to be eligible, you or a designated alternate must present your poster in person or virtually during the AOMA 99th Annual Convention on **SATURDAY, APRIL 2, 2022**.
- Judging is on a numerical scale based on the following:
 - Format
 - Mechanics
 - Style
 - Results/conclusions
 - Completeness of research/reference materials.

- Faculty must present their own posters. Faculty will only be judged if there are three (3) or more entries.
- The top three poster submissions will be chosen, and lead authors/investigators will be notified of the results by **FRIDAY, APRIL 8, 2022.**
 - Student and Resident winners will be presented with an award.
 - Faculty winners, if judged, will receive an award.
- The winning posters may be published in the AOMA Digest unless the author(s) specifies otherwise.
- All posters and abstracts will be displayed on the AOMA website unless the author(s) specifies otherwise.
